

CNA Walkthrough and Updates for PHAs

February 29, 2024

Presenters

- Ladrenna Figueroa
Branch Chief, Office of Recapitalization,
Affordable Housing Transaction Division
- Robert Robinson
Federal Practice Group

Why are we here?

This training teaches PHAs to:

- Interact with the Needs Assessor as they use the CNA e-tool to complete assessments for the PHA.
- Understand recent updates to the CNA e-tool.
- Learn the new features including the 'green' focus for components and replacements, repair needs analysis page, and other applicable updates.
